HARD SKILL

- Recovery Laptop
- Install Windows
- Crimp LAN

SOFT SKILL

- Discipline
- Do sports often
- More socialization

EXPERIENCE

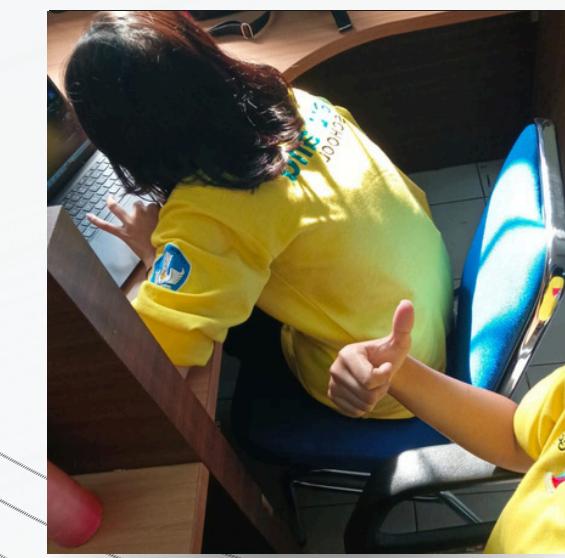

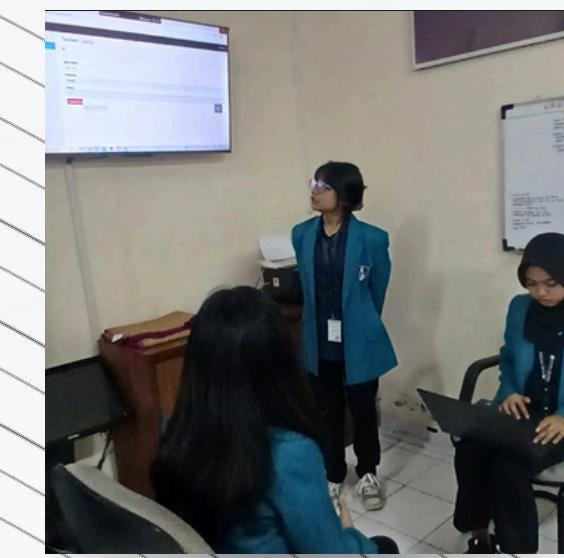

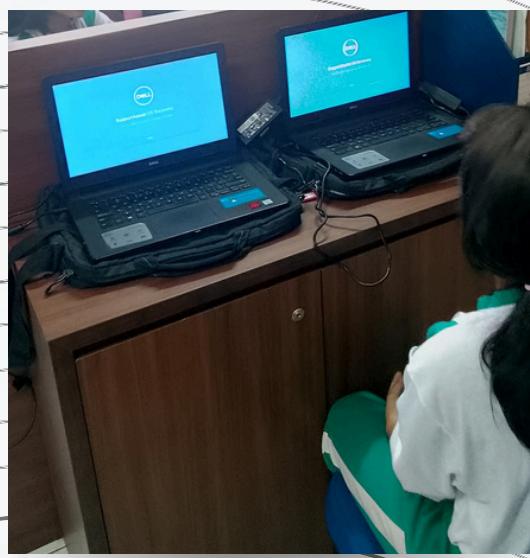

I am very grateful to be able to ojt at Seskoal, the people there are very kind, warm and cheerful. I meet new people every day and they are very friendly. I was placed in the infolahta division and they really guided the three of us, they taught us everything, they talked like a father to his daughter, telling the good and bad of life, and there were always funny things happening in the room. I hope I can meet them again

CONCLUSION

From this ojt, I got new skills that I didn't learn at school, I know how to recover a laptop, know how to crimp LAN, can socialize better with anyone, and become more disciplined.
